

While asking for US support, the CSC shows signs of reluctance to offend the West Germans by substantially increasing the duty-free quota in view of the fact that the High Authority is subject to redesignation by 10 February. Butterworth notes that Bonn will reportedly renominate the two German nationals presently on the High Authority although they "have consistently behaved in coal deliberations more like agents for the Ruhr than members of a supranational body." (XEROX) (Factual data: Mission Luxembourg COLUX 140 and 145, 22 and 24 Jan 59)
